## "Jah Rulez"

[krs-one]

Yes, right about now we got afrika  
From the jungle brothers on the wheels of steel  
My sister harmony right beside me  
And i, krs-one on the mic  
Sidney mills on the keyboards  
And dwayne on the engineering  
And once again, this style is dedicated to the heavenly father  
Because you know ya rule!

[harmony]

Where can they go, where can they turn?  
When they hear your name, that fire burns.. their very soul! (fi-yah!)  
What can they do, what can they say?  
They can't live without your love.. (ba-da-bi)  
Another day.. (ba-ba-bad-bad-bad)

[krs-one]

Bad man people and petty rob-ber  
Straighten up your ways or you will suf-fer  
What go around come around and this is the law  
The manmade law krs-one ig-nore  
I walk the streets as a ruff yout bwoy  
Very intelligent, and full of joy  
Go to a concert and mash up the jam (bo)  
People in the world know just who I am  
I am what I am cause I am not soft  
When the blind lead the blind - that's when ya lost  
Me just a dj dealin with negative  
Nonsense messages, a what dem a give  
Bdp strong, cause jah is the strength  
Bdp long, cause jah is the length  
Bdp together, cause jah is the link  
We a just arise, while the negative sink! come!

[harmony]

Where can they go, where can they turn?  
When they hear your name, that fire burns.. (burns!)  
Their very soul! (lick dem down!)  
And what can they do, what can they say?  
They can't live without your love.. another day.. (come!)  
Where can they go..  
What can they do? (bo)

[krs-one]

We are not a front and, we are no fraud  
Every hit record comes straight from the lord  
We live in jail cell and we live in shelter  
If you help yourself, well jah will help ya  
Look to no man but love everyone  
Stand on your own and work til you're done  
Follow the commandments that jah set forth  
Cause manmade laws, made man lost (bo)

[harmony]

Where can they go, where can they turn?  
When they hear your name, that fire burns.. (ba-da-bi-bi-bi)  
Their very soul! (fi-yah!)

What can they do, what can they say?  
They can't live without your love.. another day..  
They need you, in their lives  
They know, your live is right (always right)  
You're the inspiration (yes) that sweet revelation  
All their hope, and their salvation (so right)  
And where can they go, where can they turn (where ya hide? )  
When they hear your name, that fire burns.. their very soul!  
(wa-da-ba-da-bi-bi-bi-bi-bi)

What can they do, what can they say?  
They can't live without your love.. another day..  
(fi-yah, fi-yah, fi-yah, fi-yah)  
They need you, in their lives  
They know, your love is right  
You're the inspiration, that sweet revelation  
And all of their hopes (jah rulez) and their salvation  
Where can they go, where can they turn (jah rule every time)  
When they hear your name, that fire burns.. (nowhere)  
Their very soul (kyan't move without the movement of jah, seen? )  
And what can they do, what can they say  
They can't live without your love.. another day..  
Where do they go  
What do they do?  
Where do they turn  
What can they say?  
Where do they go, what can they do  
Breathe without you?  
Where do they go  
Breathe without you?  
What do they do.. \*fades\*
